About Variety

The Children's Charity

Variety is an international, volunteer driven organization with 53 chapters worldwide committed to bettering the quality of life for special needs children. Funds raised by Variety the Children's Charity of Greater Kansas City stay right here in the Kansas City area region.

By supporting Variety, children with developmental disabilities will be provided the adaptive equipment and opportunities needed for activity and inclusion. Through the Kids on the Go! mobility program and your donations, Variety awards gifts such as van lifts, wheelchairs, adaptive bicycles and prosthetic limbs to special needs children. In addition, free events are provided to Variety children and their families, helping them feel included in the community and connecting them to other Variety families.

From all of us at Hy-Vee and the children of Variety, we sincerely thank you for your generous support.
